Dear Patients of Zefran Dental Group,

I want to express my sincere gratitude to each one of you for the unwavering support you have provided over the last four decades, contributing to the growth and success of this practice. Your confidence and recommendations have played a pivotal role in transforming the practice from seeing eighteen patients in its inaugural week in February of 1983 to its present state.

Our family practice has evolved alongside your families, spanning generations. The foundation of our growth lies in the trust you have placed in my ability to provide the best dental health treatment that my skills can deliver. I have consistently endeavored to treat each of you as I would a member of my own family; it is this trust that has kept you and your families in my care for over forty years.

As I transition from active practice, I am delighted to entrust your care to two exceptionally dedicated practitioners whom I hold in high regard. I am confident that they will continue to provide the same level of dedication and care to our patients.

Lastly, I extend my heartfelt thanks to my staff, throughout the years, who have not only been integral to the success of this practice but have also become cherished friends and an extension of my own family.

I fully believe that I am one of the luckiest people in the world. This sentiment is rooted in the privilege of having treated remarkable patients and being guided by an exceptional staff in the field of dentistry. I am truly blessed, and my heart is filled with gratitude as I move forward with the next chapter of my life.

Keep smiling,

James M. Zefran, D.D.S.
